THE WEST AFRICAN EXAMINATIONS COUNCIL

West African Senior School Certificate Examination for School Candidates

SC 2024

ANIMAL HUSBANDRY 3
PRACTICAL

Instructions to Schools

1. Great care should be taken to ensure that the information given on the following pages does **not** reach the candidates **either** directly or indirectly. After consultation, this document should be kept under lock and key until the day of the examination.
2. Substitution for **any** of the specimens listed below is normally **not** allowed. Prior permission must be sought from the Council for any change that might be absolutely necessary.

3. (a) Each candidate should be provided with the following specimens labelled with the letters in bold type:

A: Egg;
B: Poultry droppings (fresh);
C: Water (labelled);
D: Bone meal (labelled);
E: Oyster shell meal (labelled);
F: Groundnut cake;
G: Fish meal;
H: Rumen;
J: Reticulum;
K: Liver;
L: Kidney;
M: Rabbit.

- (b) Where a specimen is **not** readily available in sufficient quantities it should be shared between small groups of candidates.

4. Supervisor's Report Forms will be provided separately, on which you will be required to:

- (a) supply details of the specimens and materials provided;
- (b) supply details of **any** substitution of specimens or materials made;
- (c) report on **any** particular difficulties experienced by **any** candidate, especially if the Examiner would be unable to discover those difficulties from the scripts.

5. You **must** enclose a completed Report Form in **each** envelope of scripts.

END
