

**THE WEST AFRICAN EXAMINATIONS COUNCIL**

**West African Senior School Certificate Examination  
for School Candidates**

SC 2024

CROP HUSBANDRY AND HORTICULTURE 3

PRACTICAL

**Instructions to Schools**

1. Great care should be taken to ensure that the information given overleaf does **not** reach the candidates **either** directly **or** indirectly before the examination. After consultation, this document should be kept under lock and key until the day of the examination.
2. Substitution for any of the specimens listed overleaf is usually **not** allowed. Prior permission **must** be sought from the Council for any change that might be absolutely necessary.

3. (a) The provision of specimens, materials and equipment for the test is your responsibility.

(b) (i) Where a specimen is **not** readily available in sufficient quantity, it should be shared between small groups of candidates.

(ii) **Each** candidate should be provided with the following specimens labelled accordingly:

**A:** Ginger;

**B:** Spear grass (whole plant);

**C:** Sprinkler head;

**D:** Cassava stem cutting;

**E:** Farmyard manure;

**F:** Black polythene polypot;

**G:** Pride of Barbados (Branch with flowers);

**H:** Yam tuber.

4. Supervisor's Report Forms will be provided separately on which you will be required to:

(a) supply details of the specimens and materials provided;

(b) supply details of **any** substitutions made;

(c) report on **any** particular difficulties experienced by **any** candidate, especially if the examiner would be unable to discover those difficulties from the scripts;

(c) Make and record experimental observations.
